### BARKLEY LEAVES

Detroit Pastor Will Take Position  
With Alma College.

Rev. James Barkley, for thirty years a Detroit pastor, has resigned his pastorate and last Sunday preached his farewell sermon. Rev. Barkley is to be connected with Alma college.

A thronged church greeted the veteran Detroit pastor last Sunday evening when he gave his farewell address, which attested the great popularity of Rev. Barkley in that city.

Rev. James Barkley has been connected with Alma college in the past, having been a member of the board of trustees, and chairman of that board for years, but in the future his connection with the college will be much more than it has in the past, and it is expected that it will be productive of much resultant good for the Presbyterian institution.

Rev. Barkley is being secured to preach the endowment campaign of Alma college through the entire state of Michigan and to look prospective donors for President Crooks. It is not expected that Rev. Barkley will take up his new work until the first of the year.

### CUMMINGS RESIGNS

New Bell Telephone Manager Leaves  
Alma Position.

H. R. Cummings, who recently came to Alma from Ludington as manager of the local Bell Telephone office, resigned his position last week Thursday and on Friday left the city.

The ill health of his wife is the reason for the resignation of Mr. Cummings, who is expecting to go back to the northern part of the state, after spending a short time with his wife at Battle Creek.

Mr. Cummings will be succeeded here by H. R. Davenport, who has had charge of the Bell Telephone company's offices in St. Louis for the past few years, but who of late has been connected with the Republic Motor Truck Company, Inc.

Mr. Davenport is an experienced man and one well fitted to handle the work for the Bell company here, through his past connection with the company at St. Louis, where he made an excellent record.

### GETS APPOINTMENT

Mrs. V. H. Shepard has again received the appointment from the state secretary of Red Cross seals to take charge of the seal sale for Gratiot county. As this work has been done by Mrs. Shepard for a number of years and is entirely without any remuneration it is hoped everyone will buy seals and help the good cause along.

Mrs. E. T. Lamb has kindly consented to assist Mrs. Shepard by taking charge of the seal sale in Alma. Buy a seal and help stamp out the great white plague here in Michigan. Tuberculosis is killing men, women, and children, more than 2000 of them a year. In selling seals they ask no charity. They are salesmen of health and protection from disease and are giving you the opportunity to take part in your own fight against consumption in Michigan. These stickers, holiday tokens of cheer to the recipient and hope to the sick are the sole source of funds for organized warfare on tuberculosis in Michigan. Each little seal is a bullet in our war on the white plague, "Captain of Death."

The joy of the coming holiday season will be heightened for you and your loved ones in giving a part of that joy to Michigan's 12000 who suffer from tuberculosis and endanger your life and mine.

### ALMA MUSIC CLUB RECITAL

An unusually fine audience greeted the appearance of Frances Morton-Crume, contralto, in a recital at Wright hall, last Friday evening. She delighted every one present with her well chosen program of songs from the best composers. Her singing of the group of opera songs which included "Habanera" from "Carmen" and "One Fine Day" from "Madam Butterfly" proved her a really great artist. Her accompanist, Miss Anna Coda, is to be especially commended for her fine work at the piano. Her piano solos were well received. If the numbers that follow on the Alma Music Club course will be as good as this one we can expect something in the line of music in Alma.

### ANOTHER ARTICLE ON ALMA

The Herald and Presbyter, published at Cincinnati, Ohio, came out in its November 15th edition with a fine two page article on Alma college. The article was written by Rev. Wm. Bryant, D. D. The article deals with the endowment campaign that has been started at Alma college, and uses a sketch of the history of the college, to show that Alma is worthy of the endowment that it is seeking.
